ABOUT OUR COMPANY

Founded in 2001, "Pie For Your Eye" established themselves as a top notch, quality business through hard work, determination and the absolute best ingredients from safe local farmers. Our first large order was a huge event for a big corporation where our team had a challenge of baking 100 cookies, 25 cakes and 25 pies within a very short window of time; while they demanded a variety of flavours, tastes and consistencies.

This basis gave us the motivation that was needed to propel us forward toward a successful and thriving website. To this day we continue to offer and sell the best and most delicious goods you can find. Our mission is to excite your palette and delight your taste buds through yummy and exciting treats, and a team of outstanding people.

Get in Touch

Our company loves to hear your thoughts, opinions, comments and might even feature an idea or concept with a free sample of your choice if you choose to share. After 16 years of continued growth, we are always seeking new ways to improve and provide a superb experience for all involved. Thank-you for your loyalty and interest. We certainly hope you like what you see.

Pie for your eye. A company based on wholesome ingredients and an easy going but driven team of personalities. Try us out today. We guarantee a delectable SWEET TREAT.
